Kneehill Regional Family and Community Support Services (FCSS)

Working for the municipalities of Acme, Carbon, Kneehill County, Linden, Three Hills and Trochu

Kneehill Regional FCSS is working to care for and strengthen the quality of life for all residents of participating municipalities through volunteerism, support and providing preventive social initiatives and programs.

Kneehill Regional FCSS develops and/or supports locally driven preventive social initiatives to enhance the well-being of individuals, families and communities.

Kneehill Regional FCSS is a partnership between the provincial and municipal governments. A Board made up of one elected official representative from each participating municipality administers the program by setting the direction for the program and making funding decisions. The FCSS Director and Program Assistant are employed to carry out the activities of the program and liaise with other community groups.

A variety of Kneehill area projects and/or programs, such as Seniors Outreach, Kneehill Community Resource Program, Kneehill Family and Marriage Counselling, and education sessions for parents, youth and service providers are funded by Kneehill Regional FCSS

Kneehill Regional FCSS also provides a number of services for community members, including:

- Information and Referral
- Grants and Funding
- Community Volunteer Income Tax Program
- Volunteer Recognition, Education and Awareness
- Community Discovery Nights

Kneehill Regional Family and Community Support Services offer a number of programs and services. For more information on any of the following programs, please contact our office at 403-443-3800, email programassist@krfcss.com or check our website at www.krfcss.com.

Information and Referral – Kneehill Regional FCSS can offer information and referrals to local or regional resources and supports.

Grants and Funding – Kneehill Regional FCSS provides grant dollars for community based programs and services designed to enhance the social well-being of individuals, families and/or communities at the earliest opportunity. For more information regarding funding, please contact Shelley at our office or by email at shelley@krfcss.com.

Volunteer Week – Kneehill Regional FCSS provides coffee break coupons to organizations who utilize volunteers. Volunteer Week 2017 is April 23 - 29. If you are interested in participating in Volunteer Week, please contact our office.

Tools for School – At the beginning of each school year Kneehill Regional FCSS coordinates the Tools for School Program. Through generous cash donations, we are able to provide much needed school supplies to many children in the Kneehill area. Cash donations are accepted all year, and tax receipts are available. To donate or utilize the program, please call our office.

Community Volunteer Income Tax Program (CVITP) – Kneehill Regional FCSS is in its 15th year of coordinating the CVITP for Kneehill area residents. Community volunteers prepare income tax returns for low-income individuals and families who meet the criteria. This is a program run in partnership with Canada Revenue Agency, who provides a volunteer training session coordinated by Kneehill Regional FCSS. Volunteers are available in March and April of each year to complete returns. If you are interested in volunteering for this program or in need of assistance, please call our office.

Community Discovery Nights – Community Discovery Nights are an opportunity for the community to learn more about resources and supports in their area, as well as register for local recreational programs. Carbon, Acme and Linden hold their Community Discovery Nights in March. Three Hills does theirs in September. Trochu holds their Flapjack Fiesta and Community Showcase in October. Kneehill Regional FCSS and the partnering municipalities coordinate these events. Watch our website for dates and locations.

Roots of Empathy (ROE) – In the ROE program, a parent and baby from the community visit a classroom over the course of a school year. A trained instructor visits with the family to guide children as they observe the relationship between the baby and its parent. The instructor also visits before and after each family visit to reinforce teachings. This program is coordinated by Kneehill Regional FCSS and is currently running in Trochu. To find out more about volunteering for ROE, contact our office.

Birthday in a Box – The Birthday in a Box program provides everything needed for an entire birthday celebration for a child in need. The box contains cake mix, candles, icing, decorations (tablecloth, napkins/plates, hats, forks, and balloons), loot bags, invitations, a games manual and a small gift. This program is by Kneehill Regional FCSS partnered with area churches and the Three Hills Food Bank. Families can register by calling 403-443-3800. Confidentiality is maintained.
