Kneehill Regional Family and Community Support Services (FCSS) ***Working for the municipalities of Acme, Carbon, Kneehill County, Linden, Three Hills and Trochu***

Kneehill Regional FCSS and the participating municipalities maintain and strengthen the quality of life for all residents of participating municipalities by supporting volunteerism and providing preventive social initiatives and programs.

Kneehill Regional FCSS develops and/or supports locally driven preventive social initiatives to enhance the well-being of individuals, families and communities.

Kneehill Regional FCSS is a partnership between the provincial and municipal governments. A board made up of one elected official representative from each participating municipality administers the program by setting the direction for the program and making funding decisions. The FCSS Director and Program Assistant are employed to carry out the activities of the program and liaise with other community groups.

A variety of Kneehill area projects and/or programs, such as Seniors Outreach, Kneehill Community Resource Program, Kneehill Family and Marriage Counselling, and education sessions for parents, youth and service providers are funded by Kneehill Regional FCSS

Kneehill Regional FCSS also provides a number of services for community members, including:

- Information and Referral
- Grants and Funding
- Community Volunteer Income Tax Program
